## Account Executive Bimbo Bakeries USA

---

I began in the Commercial Bread industry in 1987, with the San Francisco French Bread Company. Over the span of 27 years I have done just about everything you can do in the baking Industry; I've mixed it, baked it, wrapped it, transported it, delivered it, sold it at store level and now handle it at the account level. Bimbo Bakeries USA has rewarded me with an Account Executive position handling Northern California Regional accounts. Thank you Bimbo Bakeries!!!

I was born and raised in Sacramento, Ca. My parents, Claudio & Ignacia Trillas, brought me into this world in February, 1966. The youngest of 5 children, growing up I had it pretty good. My older siblings took the fight out of my parents. Manuel, Jose, & Maria Rios & sister Ramona Trillas (Perkins), all wore my parents out – Thank you!

My childhood days were in the 70's & early 80's when social networking meant playing outside, and coming home when the street lights came on.

I graduated as Senior Class President from Hiram Johnson High School in 1984; I was also Captain of the Baseball team. I went onto play a couple of years of baseball at the JC level, but unfortunately I did not receive my degree. I should have spent more time in the classroom than on the field.....

### **My family is the center of my universe!**

My beautiful wife Stephanie is truly the best part of me. She has accompanied me to almost every CGA & WAFC Convention and is probably the better recognized of the two of us at these events. Together we have 7 children, Steven (32), Angel (22), Amelie, (15), Baily (14), Alexis (13), Johnathan (7), Cooper, (4), and a Saint Bernard named Bernie

I am very proud of all of our children; our oldest son Steven is married (Valerie) and has brought us our first grandchild, Jace Michael. Steven is a restaurant

manager for a national chain, while my son Angel is in the cabinet making industry. Both have found tremendous success in their chosen paths.

We are always on the go, our 2 oldest daughters Amelie & Baily, play on a Travel softball team, which runs year round, and Baily also plays on a volleyball team as does Alexis. Our 2 younger boys, Johnathan & Cooper, are starting to play basketball in a couple of weeks. Stephanie somehow keeps our schedule in order and keeps me on track. We've yet to leave one of the kids behind.... (Came close) There is never a dull moment in the Trillas household. Our family is known as the **"Trillas Tribe,"** a fitting name wouldn't you agree?

I am blessed to call Stephanie my wife and all of my children..... Mine!
